Courses required for admission
Required courses must be completed before beginning the program in the summer half term (June) and ideally should be completed by the end of winter term while applying for admission-typically at the end of sophomore year.

**English (3-4 credits)**
One composition course: COM 1103

**Math (4 credits)**
One calculus course: MCS 1414 or MCS 1224

**Physics (8 credits)**
Two physics courses with labs: PHY 2213, PHY 2221, PHY 2223, and PHY2231 or PHY 2413, PHY 2421, PHY 2423, and PHY 2431

**Studio art (6 credits)**
Two courses in studio art: ARC 0113, ARC 0213, ARC 1113, ARC 1133, ARC 1213, ARC 1223

**Electives**
Elective courses should be chosen using the transfer guide at [http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx](http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx). The number of elective credit hours taken should bring the student’s total credit hours to a minimum of 60 transferable credit hours/90 transferable quarter credits. Maximum 70 credits are accepted. Maximum seven technical credits are transferable (e.g., drafting, building technology, codes, cost estimation, architectural technology).

Courses strongly recommended
Recommended courses should be completed before beginning the program but must be completed before graduation. If a student is unable to take all of the recommended courses prior to starting the program, it is still possible to apply. Typically two elective courses are available senior year to take outstanding recommended courses.

**Architectural history (6 credits)**
Two courses in architectural history: New transfer students take junior year at Taubman College.

**Digital media arts (3 credits)**
One course in geometric modeling, programming or interactive media: ARC 3823

**Humanities (6 credits)**

**Natural Science (3 credits)**
One course selected from: Astronomy, Biology, Biological Anthropology, Chemistry, Ecology, Geological Science, Math above Calculus, Physiology. Students without high school credit for Chemistry must elect Chemistry. [http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx](http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx).

**Social Science (6 credits)**
Two courses selected from: Communications, Cultural Anthropology, Economics, History, Linguistics, Political Science, Psychology, Sociology [http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx](http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx).

New transfer students are admitted for the summer half term only. All new transfer students will enroll in Arch 302 - Architectural Design UG0. UG0 is an intensive skill-building workshop and an opportunity for transfer students to begin their first semester strongly. Detailed information is sent to new transfer students as part of their admission letter. Six credits will be granted for the completion of UG0, and tuition associated with a six-credit class will be charged.
