Architecture + Urban Planning
University of Michigan
Want more info?  
Visit the Health, Wellness, & Counseling webpage:  
taubmancollege.umich.edu/wellness

Additionally, the Taubman College Student Life Counselor provides free, confidential consultations to any student who has a problem bothering them and would like to talk to someone for support. It’s not psychotherapy. It’s an opportunity to discuss concerns with a trained professional. The Student Life Counselor provides non-judgmental support and can help when you want to:

> Discuss a difficult situation  
> Get guidance on how to help a friend  
> Talk about what’s on your mind  
> Figure out your options  
> Hear a new perspective and get suggestions  
> Manage your stress  
> Figure out if you may be depressed  
> Find balance  
> See what it’s like to speak with a counselor  
> Discuss your concerns about the future  
> Resolve a relationship issue  
> Explore how a family problem may be impacting you  
> Learn where you can get more help

To schedule a meeting with the Student Life Counselor, login to use the confidential contact form at taubmancollege.umich.edu/wellness.
Questions? taubmansupport@umich.edu
There is support!

I am available...

• For private consultations with any Taubman College student
• For anyone who wants to talk to someone about a problem or concern
• For anyone seeking advice about getting help for yourself or a friend
Common Sources of Distress for Taubman College Students

- Relationship problems & break-ups
- Family difficulties
- Grief & Loss
- Divorce of parents
- Loneliness
- Academic pressure
- Difficulty adjusting to university life
- Missing home/friends
- Unsatisfying social life
- Illness or injury
- Sleep deprivation
- Lack of self care
- Anxiety
- Body image concerns
- Worries about sexuality
- Cultural differences
- Sexual or physical abuse or assault
- Depression
- Drug and alcohol use
- Low self-esteem
- Financial problems
- Language barriers
- Identity confusion
Are you managing your stress?

☑ Keeping up with your work and responsibilities?
☑ Keeping perspective on life and your priorities?
☑ Finding balance between work and play?
☑ Getting sufficient sleep and exercise?
☑ Taking care of your relationships?
☑ Finding joy and meaning in life?
Or are you experiencing signs of DISTRESS?

The following are signs that it may be time to get extra support...
• Feelings of hopelessness or worthlessness
• Unrelenting depressed mood
• Panic attacks, persistent worry, or irrational fears
• Withdrawal from friends, family, activities that used to be fun
• Feelings of anger, rage, or craving revenge
• Difficulty concentrating, thinking, or making decisions
• Persistent crying or tearfulness
• Reckless or impulsive behaviors
• Thoughts about death or suicide (1-800-273-TALK)
• Physical symptoms that don’t go away (headaches, pain, etc)
• Changes in eating
• Difficulties sleeping
How to seek help?

• TaubmanSupport@umich.edu
  – Contact me with questions!

• www.taubmancollege.edu/wellness
  – Huge list of university resources
  – Info about local community resources
  – Options for student-focused support services
  – “Contact the Student Life Counselor” link
And remember these ways taking care of yourself and each other

• Support each other & be compassionate
• Make each other laugh and have fun
• Drink lots of water each day
• Know your sleep needs and honor them
• Eat real meals and not just snacks
• Get outside each day
• Find emotional outlets (friends, music, etc)
• Talk to others about what you’re feeling
• Know your own limits and don’t compare yourself to others
do something.

CAPS by the Numbers

- From 2009-2011 CAPS had 33,187 clinical appointments
- Same day/crisis appointments: 2,257
- Students serviced by outreach: 13,669
- Number of languages spoken by CAPS staff: 10
- Years of permanent staff experience in college student mental health: 385
Taubman College

- In Fall 2010:
  - Percent of U of M students in Taubman College: 1.5%
  - Percent of CAPS clients seen who are architecture & urban planning students: 1.2%
  - Gender: 44.7% female, 55.3% male
Top 5 Student Concerns

• Depression
  – Sadness, tearfulness, anger, decreased motivation/energy, sleep struggles

• Anxiety
  – Worry thoughts, physical symptoms, headaches

• Self-esteem

• Academics
  – Procrastination, imposter syndrome, concentration

• Relationship issues
  – Break-ups, roommate conflict, family issues
How Counseling Can Help

- Help with balancing friends, family, work & academic responsibilities
- Learning how to cope with stress and anxiety
- Establishing and maintaining self-care habits
- Help managing ongoing concerns like depression, anxiety, or other mental health issues
- Increase awareness of potential self-defeating perceptions and behaviors
- Help with motivation, self confidence, procrastination
CAPS SERVICES

CAPS provides confidential, brief (no set limit), solution-focused therapy by a diverse professional staff to students for FREE!

• Clinical
  – Individual, couples, group, crisis support, psychiatric

• Common Concerns Workshops
  – M-Th 4:15-5:30 (anxiety, depression, performance, relationships)

• Outreach & Education
  – Stress management, relaxation skills, etc.

• Wellness Zone
  – Massage Chairs, X-Box Kinect, SAD lamp
CAPS offers two websites:

www.caps.umich.edu
www.mitalk.umich.edu - student-focused interactive site

– Identify a Problem (on-line screening tools)
– Multimedia
– Personal stories of UM students (acted by students)
– Mental Health Topics

Frequently Asked Questions

Getting Into Wolverine Access

What is Wolverine Access?

How do I log in to Wolverine Access?

How do I get a uniqname, UMICH Kerberos password, or Friend account so I can log in?

How do I reset my UMICH Kerberos or Friend account password if I forgot it?

I have a uniqname and password, why can't I log into the system?

How do I log out to protect my privacy and sensitive U-M data?

Using Wolverine Access

I'm a U-M employee. How can I view my paycheck information?

I'm a U-M employee. How can I view and update my benefits information?
```

Getting Into Wolverine Access

What is Wolverine Access?

The Wolverine Access website is the gateway to U-M's administrative information systems. It provides links to systems and websites used by members of the university community, including U-M students and their parents/family, prospective students, faculty, staff, alumni, parents, retirees, and some sponsored affiliates.

How do I log in to Wolverine Access?

- **Students, faculty, staff, alumni, retirees, and some sponsored affiliates** use their U-M uniqnames and UMICH Kerberos passwords to log in.
- **Prospective students** use U-M Friend accounts to log in. This allows them to access the New & Prospective Student Business system after they apply for admission.
- **Parents/family** can use their U-M uniqnames if they have them, or create U-M Friend accounts to log in. This allows them to access the My Student's Information system if their students authorized their uniqnames or Friend account email addresses.

```

TAUBMAN COLLEGE

Academic Policies

Academic Policies For Students in Taubman College

The information on academic policies and procedures listed on the Taubman College website specifically pertains to students enrolled in the Undergraduate Program, the Master of Architecture Program, and the Master of Urban Design Degree Program.

Academic Policies For Students in Rackham School of Graduate Studies

Students enrolled in Doctoral Studies in Architecture (Master of Science, Ph.D.) or the Urban and Regional Planning Program (Master of Urban Planning, Ph.D.) must refer to the Rackham Graduate School academic policies for students.

The academic policies and regulations of the Rackham Graduate School ensure consistent standards in admissions, registration, requirements, and the awarding of degrees across all Rackham graduate programs. The Graduate School also upholds standards of academic conduct and integrity and provides a process for the resolution of disputes related to equity and fairness of decisions or procedures that affect a student's academic standing and progress toward the degree.

Building Facilities

Tom Green

- TCAUP Facilities Manager Responsibilities
- Building Policies / Culture (See handout in your packet)
- Studio Desk Keys
- Request For Repairs / Service
Welcome to the University of Michigan Taubman College. This handout describes policies concerning the use of the Art and Architecture building and design studios. Building and studio citizenship acknowledges a respect for shared spaces and experiences. Start with good habits—make thoughtful and beautiful things.

Building Policies and Culture
The Art and Architecture Building has been shared by Taubman College and the School of Art & Design since 1974. As a shared space, we have many combined building policies and services. Taubman College occupies the west side of the building, which includes studio spaces on the third floor, in addition to the SAND and FAB Labs. Art & Design occupies the East side of the building. The courtyard and campus computing site are two examples of shared and communal space.

Access
The building is open and unlocked fall and winter terms from 7 a.m.-10 p.m. weekdays, 7 a.m.-7 p.m. weekends. After hours, members of the Art & Architecture community can use their MCard at the six main building entrances to access the building.

Safety
First Aid
First-aid kits, located at either end of the studio and within the Dean’s office, are supplied to treat minor cuts and burns. Send an email to aaservices@umich.edu if they need replenishing. Report any serious injuries to the Dean’s Office and seek treatment at the University Hospital. In case of emergency contact 911.

Security
Public Safety can be reached at 734.763.1131 (3-1131 from campus phones). Please report any suspicious behavior to the Dean’s Office, the Facilities Manager, or Public Safety. Use smart decision making related to your personal safety.

Weather/Fire
In case of severe weather, proceed to the 1st floor southwest corridor. In the case of fire, exit the building immediately. Evacuation plans are posted on each of the bottom and top floor stairwells.

Lockers
The building has lockers available for Taubman College students, faculty, and staff storage, located on the first floor south hallway. Registration is not required; simply place a lock on a locker of your choosing. Lockers must be vacated prior to the end of the academic year. The locker is college property and standards of maintenance must be adhered to. For related policies: www.taubmancollege.umich.edu/lockers.

Lost and Found
Contact the Facilities Manager (Room 2105, office hours: 9 a.m.-6 p.m.). Tom Green, ttgreen@umich.edu, or 734.763.3132.

Studio Policies and Culture
Taubman College is committed to a positive and respectful learning environment; the encouragement of the fundamental values of optimism, respect, sharing, engagement, and innovation between and among members of the faculty, student body, administration, and staff. Key to a healthy and productive learning environment is the establishment of an efficient, daily routine that balances the well-being of the individual student with high academic standards. Taubman College encourages students and faculty to appreciate these values as guiding principles of professional conduct throughout their careers. Personal and equipment security is everyone’s responsibility. Respect the space and clean up after yourself.

Furniture and Desks
Each student is provided with a desk and chair. Each desk has three locking drawers, one of which uses a key. Keys are available from the Facilities Office (Room 2105, Tel: 734.763.3132) between 9 a.m. and 6 p.m., a refundable $20 deposit is required. Bring Student I.D. and key number (normally located inside the locking cabinet). Students are advised to secure personal possessions and valuable equipment in locked drawers whenever leaving the desk area, including overnights, weekends, or during break periods. Do not bring additional furniture into the studio or remove the existing furniture from the studio for any purpose. Under no circumstances are the desk and credenzas to be either disassembled or have additional components attached. Use only a protective surface, such as a cutting mat, when cutting materials at the desk. Please contact the facilities office for light bulb replacement or other issues related to the functioning of the desks and chairs. Please post your name in a clearly visible location on your desk. At the end of each term, remove all materials from your desk and surrounding area.

Per fire code, a clear circulation corridor through and around each studio must be maintained at all times. These corridors are marked by swatches of orange paint on the floors. Do not OCCUPY THESE ZONES. Appliances are NOT permitted in the studios including refrigerators, microwaves, space heaters and cooktops. Pets are NOT permitted in studios.

Storage
There is no space for storing student work beyond your immediate work area. Public spaces are for reviews and exhibits—not storage. Work left in public spaces is vulnerable to removal and vandalism. Protect your work. Document your work. Back up your work.

Re-Use Bin
At either end of the third floor there are large bins to place any material that can be re-used by someone else. This may include, but is not limited to: chipboard, foamcore, wood, and scrap materials.

“Dirty Work” and “Clean Work”
The third floor is designed for computing, drawing, and model making. If models require materials like plaster, concrete, wax, and large scale pieces of wood, then this work should be done with supervision in a very limited area or outside. Each student is responsible for properly removing the resulting waste and spills. Absolutely NO plaster or concrete can be poured into the sinks.

If you are using any media with fumes (paints, thinners, solvents, spray adhesives), do this work only in the Spray Booths. These are hooded, filtered enclosures constructed at each end of the third floor. You must turn them on in order for the toxic gases to be properly vented and exhausted out of the building. Please do not spray in hallways or common studio areas. Hazardous materials, such as resin, are not permitted in the studio, including the spray booth. Notify the Facilities Manager of any missing or clogged air filters.

Review Spaces
These spaces can be reserved on a master calendar posted on the third floor. A few tips on review etiquette:
Do not step on the fabric or rolling chairs when hanging work. Always leave room for others to pass behind a review without causing a disruption. Leave the review space better than you found it.

Plagiarism
Plagiarism is knowingly presenting another person’s ideas, findings, images, or written work as one’s own by copying or reproducing without acknowledgment of the source. It is intellectual theft that violates basic academic standards. In order to uphold an equal evaluation for all work submitted, cases of plagiarism will be reviewed by the faculty member and/or the Program Chair. Punitive measures will range from failure of an assignment to expulsion from the University. Full academic policies are posted on each of the program websites.

Semester’s End
At the end of every semester each student is responsible for disposing of all trash, unwanted models and drawings, recycling paper, and sorting materials for re-use by others. During the Fall to Winter break you may leave your materials secured in your desks. The College does not assume responsibility for any work or personal belongings left in the studio. Attach your name and telephone number to anything not at your desk. On the first official day of class in the winter term, move your belongings to your new desk in your new studio. Models may not be stored in the building.

At the conclusion of each semester dismantle any models and boxes you do not wish to take home. There are re-use bins at either end of the third floor. Any material or model deemed unusable by others should be taken to the dumpster located by the loading dock.

Building or Studio Policies Questions? See Taubman College Building Facilities Manager, Tom Green, Tel 734.763.3132, Room 2105, ttgreen@umich.edu. Visit taubmancollege.umich.edu/resources for additional information.

jennifer.myers@akahn.com
$100 to start NCARB “Record” and maintain it for 3 years

$250 to transmit Record to a state or apply to take ARE

$75/year to maintain Record after the first 3 years of enrollment

if you maintain your Record, NCARB will waive the $1500 Certificate fee
summing up:

aim to get registered

you drive the process

consult NCARB online and print resources first, then ask for help

enroll in IDP before you start earning training hours (there are no practical alternatives)

participate in the AIA Michigan Mentoring Network
2012-2013
AIA Michigan Mentoring Network

Tom Mathison
AIA Michigan Mentoring Network is comprised of volunteer architects who are available for you as you prepare for a career in architecture.

All architecture students are welcome. There is no cost.
What it is:  

*Opportunity* to have a one-on one Relationship with a practicing architect

*Meetings and communications* are at times and places convenient to you and your mentor

*Brief feedback assessments*  
*(1 per semester, online)*

*Mentors and students commit* to a school year, but *may continue* their relationship indefinitely

What it isn’t:

A required *course*

A substitute for *IDP*

A *job placement* service
Elements for success:

• *Be responsive.*
  – Respect each other

• *Identify the communication method* that works best for you.

• *Be honest and open. Trust.*
  – Mentoring is a two-way relationship
Remember:

• **Architects are busy people, just like students.** Please respond when they contact you. Don’t wait two weeks to return a call or email.

• **If your mentor doesn’t respond** to your calls or emails, please call or email Tom Mathison, and he will help you get on track.

• **Make an effort to meet in person** with your mentor at least 1-2 times per semester – more if possible. The value improves dramatically when you meet in person.

• Architects are ready to assist you with just about anything – but **be ready with good questions** – real questions – about what’s on your mind. The responsiveness and value of your mentor will improve greatly.
Interested in participating?

• Fill out the Student Information Survey (print legibly) or sign in on-line:

  surveymonkey.com/s/mentoringnetwork

• Read and sign the commitment at the end of the survey. It tells us that you are serious about success.
