Certification from personal or parental sources must include a completed financial certification form with original signatures from the family member(s) offering support with the proper boxes checked and an original bank statement (on bank letterhead) showing the type of account, the exact balance of the account (with an account number and date), and signed by a bank representative. The certification must also show the account holder's name and the name must match the name of the person offering support.

An applicant may have several different sponsors. We will need completed financial certification forms and bank statements from each source of funding. Certification from sponsoring agencies consists of a signed letter with original signatures from an official or representative of the sponsoring agency stating the amount of funding they will offer and the duration for which it will be available. Only funds in a liquid account, such as a checking or savings account will be accepted. Property, life insurance, stocks, bonds, jewelry, mutual funds, land, medical savings and retirement accounts, benefit certificates, trusts, securities, and long-term savings for housing do not qualify.

Any documents submitted for financial certification are not considered during the admissions and scholarship review process. The financial certification is only an administrative piece and is necessary to process I-20 forms for admitted students, which is necessary to securing a F-1 student visa.

AFFIDAVIT OF SUPPORT FROM PERSONAL SOURCES

Please provide a copy of both pages of this form for each sponsor, including yourself, if you are supporting yourself to any degree. Please also include a copy of your passport for I-20 processing.

I will provide:

☐ Full Financial Support
☐ Partial Financial Support Amount Per Year $ __________
☐ Other Partial Financial Support $ __________
☐ Total of all Financial Support $ __________

for the applicant's educational and living expenses for the entire length of study at the University of Michigan. As verification that funding is available, I have attached an original bank statement(s).
