Taubman College of Architecture and Urban Planning
University of Michigan

UG prerequisite course guide for Washtenaw Community College

Courses required for admission
Required courses must be completed before beginning the program in the summer half term (June) and ideally should be completed by the end of winter term while applying for admission—typically at the end of sophomore year. Online classes are not accepted.

English
Two composition courses: ENG 111 and Eng 226 (Both ENG 111 & 226 must be taken to meet UM First Year Writing Requirement)

Math (4 credits)
One calculus course: MTH 191

Physics (8 credits)
Two physics courses with labs: PHYS 111 and PHYS 122 or PHYS 211 and PHYS 222

Studio art (6 credits)
Two courses in studio art: ART 101, 108, 111, 112, 114, 120, 121, 122, 125, 127, 128, 129

Electives
Elective courses should be chosen using the transfer guide at http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx. The number of elective credit hours taken should bring the student’s total credit hours to a minimum of 60 transferable credit hours/90 transferable quarter credits. Maximum 70 credits are accepted. Maximum seven technical credits are transferable (e.g., drafting, building technology, codes, cost estimation, architectural technology).

Courses strongly recommended
Recommended courses should be completed before beginning the program but must be completed before graduation. If a student is unable to take all of the recommended courses prior to starting the program, it is still possible to apply. Typically two elective courses are available senior year to take outstanding recommended courses. Online classes are not accepted.

Architectural history (6 credits)
Two courses in architectural history: New transfer students take junior year at Taubman College.

Digital media arts (3 credits)
One course in geometric modeling, programming or interactive media: CAD 111 (not A or B), CAD 113, CAD 211, or ARC 218

Humanities (6 credits)

Natural Science (3 credits)
One course selected from: Astronomy, Biology, Biological Anthropology, Chemistry, Ecology, Geological Science, Math above Calculus, Physiology. Students without high school credit for Chemistry must elect Chemistry. [http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx].

Social Science (6 credits)
Two courses selected from: Communications, Cultural Anthropology, Economics, History, Linguistics, Political Science, Psychology, Sociology [http://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx].

New transfer students are admitted for the summer half term only. All new transfer students will enroll in Arch 302 - Architectural Design UG0. UG0 is an intensive skill-building workshop and an opportunity for transfer students to begin their first semester strongly. Detailed information is sent to new transfer students as part of their admission letter. Six credits will be granted for the completion of UG0, and tuition associated with a six-credit class will be charged.
