### PROFESSIONAL EXPERIENCE

University of Michigan *Lecturer III/Community Partnerships Manager (2002-present)* Arrange student/faculty research, community planning projects and internships with Detroit and Flint nonprofits and government agencies. Serve as faculty co-instructor for the “capstone” community projects courses in the Urban and Regional Planning Program. Solicit, negotiate and oversee AmeriCorps and other community-based placements for Urban Planning graduate students. Secure and monitor external grants and contracts for research and outreach. Lead annual Detroit orientation session for students.

Eastside Industrial Council *Program Manager, Executive Director (1999-2002)* Responsible for daily administration, including member services, fund development, program and fiscal management. Originated and managed in-place industrial park program. Assisted City of Detroit staff in application for federal Renewal Communities status.

Detroit Eastside Community Collaborative *Project Director (1997-98)* Manager for the Community Reinvestment Strategy planning team for the City of Detroit—Cluster 1. Coordinated local CDC involvement in the national Success Measures Project. Collaborated with University of Michigan staff in submitting grant request to national foundation.

MomingSide Community Organization *Administrative Director (1995-96)* Managed all components of single-family housing acquisition and rehabilitation program. Edited and supervised production of community newspaper. Responsible for block club and volunteer coordination, including Board of Directors. Liaison to U-SNAP-BAC and Warren/Conner Development Coalition.

Consultant to Nonprofit Organizations (1994-99) Advised small Detroit-area groups in operations and financial management, bylaws, real estate acquisition and development.

Music Hall Center for the Performing Arts *Executive Director (1992-94)* Responsible for overall management of historic 1800-seat theatre. Supervised development, marketing, and box office functions. Served as chief financial officer of the organization.

Detroit Renaissance Inc. *Communications Manager, Director of Operations (1986-92)* Organized all non-technical aspects of the annual Detroit Grand Prix. Approved artist contracts, coordinated radio broadcasts for the Montreux Detroit Jazz Festival. Negotiated and wrote contracts with corporate and individual service providers. Served as liaison with Detroit Police and other City of Detroit departments.

Attic Theatre *Managing Director (1984-86)* Managed daily business operations, including payroll, receivables, royalties and audit for nonprofit regional theatre. Supervised marketing, development and box office personnel.
