Note: All such awards are contingent upon satisfactory completion of program requirements in a timely fashion. The University requires background checks for all individuals who have an appointment or employment at the University. Because your funding offer includes your appointment as a graduate student instructor (GSI) or graduate student research assistant (GSRA), and/or graduate student staff assistant (GSSA), a background check prior to your first appointment in any one of these positions is needed. Your funding commitment is contingent upon the successful completion of a background check, which includes the successful resolution of any issues that might arise, prior to the commencement of your first appointment.
