The program planning form is designed to enable students and advisors to plan course elections for the Master of Architecture degree program. This form will be used to finalize degree requirements at the time of graduation. Failure to provide the College Registrar with a copy of the original form or any subsequent updates and changes, may result in the withholding of the degree.

Please use the following procedures when completing the program planning form:

- 1) Both you and your advisor should sign and date the form.
- 2) Please make a copy of the program planning form for your records
- 3) Please submit original form to the College Registrar
