The program planning form is designed to enable students and advisors to plan course elections for the Master of Architecture degree program. This form will be used to finalize degree requirements at the time of graduation. Failure to provide the College Registrar with a copy of the original form or any subsequent updates and changes, may result in the withholding of the degree.

Please use the following procedures when completing the program planning form:

- 1) Complete the information for at least the present term and if at all possible the entire year and have your advisor approve your course selections.
- 2) Complete the section on courses that fulfill degree requirements when your advisor approves the course.
- 3) Both you and your advisor should sign and date the form.
- 4) Please make copies of the program planning form and distribute as follows:
  - 1 copy for your advisor
  - 1 copy for your records
- 5) Please submit original form to the College Registrar.

It is the responsibility of the student to make and distribute the necessary copies.
