	2012	Spring	SAID 1002	Design Lab II	Core First Year Studio
		Fall	SAID 1001	Design Lab I	Core First Year Studio

PROFESSIONAL EXPERIENCE

Ball Practice	2022 - pr	Private Residence	2 Family	Concept	In Progress
			Conversion	Revit, Rhino	Cincinnati, Ohio
			<i>Worked with client to produce property survey, and initiated as-built drawings. Beginning feasibility study to convert existing residence to 2 family rental. Scope of work will include adding a second entry, an upstairs kitchen, boxing out and replacement of existing deck, and recladding the exterior.</i>		
2022 - pr	Private Residence	Accessory	Concept	In Progress	
		Dwelling Unit	Revit, Rhino	San Luis Obispo, California	
		<i>Design and development for backyard accessory dwelling unit.</i>			
2021 - pr	Private Residence	Condo Renovation	Concept	In Progress	
			Revit, Rhino	Brooklyn, New York	
		<i>Worked with client to develop concept for operable casework partition of existing condo. Creating drawings for pricing.</i>			
Adjaye Associates	2019 - 2021	DREAM Charter School K-12 School	Renovation +	DD, CA	Under Construction
			Addition	Revit, CAD, Rhino	Bronx, New York
	<i>CAD production of DD drawing set as core member of 3 person team with direct responsibility to develop and produce details of exterior envelope, stairs, and lightwells and directly coordinated with consultants and architect of record. In CA, reviewed shop drawings, regularly attended job site meetings, produced field reports, point of contact for contractors in field and client rep.</i>				
	2020	Princeton University Art Musuem	New Construction	DD	Under Construction
				Revit, Enscape	Princeton, New Jersey
	<i>Revit production of DD drawing set including general coordination and design production studies for internal and client review. Worked to produce detail drawings for exterior envelope, incorporating feedback from consultants and AOR, and producing initial phase of design assist packages and VMUI/PMU development.</i>				
	2019-20	1199 SEIU Lobby United Healthcare Workers East	Renovation	CD, CA	Built
				Revit, Enscape	New York, New York
<i>Revit production of CD drawing set including general coordination and development of interior details. In CA worked closely with fabricators to execute GRFG ceiling vaults and custom mural tiles. Served as point of contact for contractors in field, regularly walked site, issued field reports, punch lists, and attended job site meetings.</i>					
2019	BRX 325 Exterior + Amenities Lightstone Group	Renovation	Concept	Under Construction	
			CAD, Rhino	Bronx, New York	
<i>Helped in production of plans and renderings for internal review and initial concept presentation to client.</i>					
2019	Confidential Tower Confidential Client	New Construction	Concept	Not Awarded Project	
			CAD, Rhino	New York, New York	
		<i>Helped in production of plans and renderings for internal review and initial concept presentation to client.</i>			
HOLT Architects	2019	Radiation Medicine Cayuga Health Center	Addition	DD, CD	Built
				Revit, Rhino, Grasshopper	Ithaca, New York
			<i>Worked independently to develop and produce exterior detailing for DD and CD sets. Worked with medical consultants to meet requirements of radiation containment within wall construction.</i>		

HOLT Architects	2019	ADA Conversion Appleridge Senior Living	Feasibility Study	Concept Revit	On Hold Horseheads, New York
		<i>Worked to develop feasibility study to convert existing residence rooms to have ADA accessible kitchens and bathrooms across several different unit types.</i>			
	2019	Ithaca City Harbor Organic Waterfront Development	New Construction	Concept, Permitting, SD Revit, CAD, SketchUp, Rhino	In Progress Ithaca, New York
		<i>Production and development of program sizing and configuration for large mixed use luxury waterfront development. Work closely with development team, city stakeholders, planning and landscape designers, and civil and mechanical engineers.</i>			
	2019 - 2018	Expansion to Schulyer Hospital	Addition / Renovation	CD Revit	Under Construction Montour Falls, New York
		<i>Production and development of the exterior envelope package, including coordination with structural, selection of material, production of wall types, exterior elevations, wall sections, building sections, exterior details, and elevator drawings.</i>			
	2018	Moffett Student Center SUNY Cortland	Renovation	DD, CD Revit	Under Construction Cortland, New York
	<i>I developed construction drawings for toilet rooms and stairs, including code analysis and ADA compliance. I coordinated with plumbing and structural consultants.</i>				
2018	Skytop HR Center Syracuse University	Renovation	DD, CD Revit, Rhino	Under Construction Syracuse, New York	
	<i>I led design development of South entry and lobby. Developed construction documents including stair, elevator, and exterior envelope details.</i>				
2018	Hutchenson Hall University of Rochester	Addition	RFP CAD, Rhino	Not Awarded Project Rochester, New York	
	<i>I worked on a proposal for an addition to Hutchenson Hall including site analysis and basic massing studies.</i>				
2017 - 2018	Illick Auditorium SUNY ESF	Renovation	Concept, SD, DD, CD, CA Revit, Rhino, Grasshopper	Built Syracuse, New York	
	<i>I led the design for the renovation of an existing auditorium at SUNY ESF, including development of acoustic panel system design and integration of ADA ramp.</i>				
2017	Welcome Pavilion Corning Community College	Feasibility Study	Concept Rhino	On Hold Corning, New York	
	<i>I worked as project manager on the design and development of an emergency signage pavilion for CCC. I met with the client and presented design options.</i>				
2017	Cafe Renovation Corning Incorporated	Renovation	SD, CD, CA Revit, Rhino	Built Corning, New York	
	<i>I worked as project manager for the design and construction documents for a small point of sale renovation for Corning Incorporated. Met on site with the client and contractors.</i>				
Desai Chia Architecture	2017	Copake Lake House [Confidential Client]	New Construction	Concept Rhino, CAD	Under Construction Craryville, New York
		<i>I worked on several massing iterations for a new house to be built along Copake Lake in NY considering site, program, engineering, and budget limitations.</i>			
	2017	Mead Art Museum Amherst College	Feasibility Study	Concept Rhino, CAD	In Progress Amherst, Massachusetts
	<i>I worked on initial feasibility study for addition to existing McKim, Mead, & White arts building. Developed site analysis, programming studies, and general massing options for addition.</i>				
2017	Ardea Office Ardea	Interior Fit-out	CA CAD	Complete New York, New York	
	<i>I attended weekly construction meetings, assisted in consultant communication, helped in documentation of meeting minutes and compilation of punch list.</i>				

	2017	Vista Towers [Confidential Client]	Renovation	Concept Rhino, CAD	In Progress Bangalore, India
		<i>I worked with the principle to develop unit plans and configuration</i>			
Micheal McInturf Architects	2016	Early Childhood Center Cin.Country Day School	New Construction	DD, CD, CA Revit, Rhino, Grasshopper	Built Cincinnati, Ohio
		<i>I worked closely with the design team on interior finishes and CD set for education facility. Specifically I worked on exterior elevation details and various site elements to ensure code compliance. During construction I recorded progress on site.</i>			
	2016	Sleepy Bee Restaurant Sleepy Bee	Gut Renovation	Concept Revit, Rhino, Grasshopper	Built Cincinnati, Ohio
		<i>I worked as lead designer for the full facade renovation of 3 story building in dense urban context of downtown Cincinnati. I lead a team of interns to produce numerous iterations, diagrams, and models of facade, and presented directly to the client in bi-weekly meetings.</i>			
	2016	1228 Vine 3CDC	New Construction	Concept, SD Revit, Rhino, Grasshopper	On Hold Cincinnati, Ohio
		<i>I worked directly with project architect on various facade iterations, including fenestration and materiality studies including renders for the historic review board.</i>			
	2015-16	Linder Athletic Center Cin.Country Day School	New Construction	SD, DD Revit, Rhino, Grasshopper	Built Cincinnati, Ohio
		<i>I worked closely on formal massing and SD presentations for new entry and addition to school athletic complex. I worked heavily in Revit for both SD drawings and renders. I also worked in Grasshopper to develop hanging acoustic system for the pool area, as well as material studies for the interior ribbon wall.</i>			
Ministry of Design	2009	Hong Xin Gardens [Confidential Client]	New Construction	SD, DD SketchUp, 3DS Max, CAD	On Hold Beijing, China
		<i>I Worked directly with project architect to develop the facade and landscape design for six 20+ story residential and multi-use buildings in Beijing, China. I tested facade proposals, entrance sequences, interiors, and landscape work. I was specifically responsible for the design of the hotel, retail, and office entries, and sunken plaza of the anchor building. I worked closely with the in house renderers to bring the design to fruition, and be presented in China.</i>			
	2009	Race Club + Pitt House [Confidential Client]	New Construction	Concept SketchUp, 3DS Max, CAD	On Hold Bintan, Indonesia
		<i>I worked directly with design director and principal on the initial massing and design of a pit house and race club for a private race track in Bintan Indonesia. Included SD presentation for client.</i>			
	2009	Face to Face Office Face to Face	New Construction	Documentation, Marketing	Built Singapore
		<i>I worked directly with the architectural photographer to document the newly built space, even personally serving as scale model. Put together promotional material for the opening and press package for blog coverage.</i>			
James Hubbell	2009	Peace Pavilion #5 Pacific Rim Parks	New Construction	Design Build	Built Puerto Princesa, Philippines
		<i>I worked as a member of an international team of designers and students on the design and physical construction of a park pavilion. We dug and poured foundations, bent and cut rebar, and completed concrete, stone, and mosaic work.</i>			
ARC Architects	2008	Puyallup Elder Center Puyallup Tribe of Indians	New Construction	SD, DD, CD CAD	Built Tacoma, Washington
		<i>I worked closely with the project architect and principal to complete SD and CD drawing sets. I worked primarily on redlines for a number of drawings including interior/exterior elevations, floor plans, structural plans, rps, spec sheets, and typ details as well as contributing to various graphic presentations.</i>			
	2008	199 E. Blaine St. Alexandria Dev. Corp.	New Construction	DD, CD CAD	Built Seattle, Washington
		<i>I worked closely with the project architect and principal to complete SD and CD drawing sets. I worked primarily on redlines for a number of drawings as well as contributing to various graphic presentations.</i>
