MOJTABA NAVVAB, Ph.D., FIES

Education

The University of Michigan, Ann Arbor, MI, Ph.D., 1994 The University of Michigan, Ann Arbor, MI, Certificate of Simulation & Gaming, 1993 University of California, Berkeley, CA, M. Arch. 1981 The University of California, Berkeley, CA, B.Arch., 1979

Academic, Research, and Practice Appointments

Associate Professor of Architecture,

Director of the Architecture Ph.D. Program (Sep 2023- Present)

The University of Michigan, A. Taubman College of Architecture and Urban Planning, Ann Arbor, MI.

Visiting Professor - SAPIENZA University of Roma, Roma, Italy

Department of Astronautical, Electrical, and Energetic Engineering (DIAEE), Roma, Italy.

(November – December 2012) and (June - August 2015 and 2016)

Fulbright Specialist Grant in Engineering Education (August 2013)

J. William Fulbright Foreign Scholarship, The Bureau of Education and Cultural Affairs of the U.S. Department of State and the Council for International Exchange of Scholars (CIES), Institute of International Education (IIE), Specialist Grantee, ID #5191, School Light and Vision, National University of Tucuman, Tucuman, Argentina

Visiting Scholar - (September - October 2012)

Fraunhofer Institute of Computer Architecture and Software Technology, Berlin, Germany.

Visiting Scholar - (Jan 1999 - June 1999)

University of Fukuyama, Fukuyama, Japan

Senior Architect - (1997 to Present)

University of Michigan, Architectural Engineering and Construction, Ann Arbor, MI

Research Architect - (1985 to 1996)

University of Michigan, Architectural Engineering and Construction, Ann Arbor, MI

Assistant Professor of Architecture (1985 to 1996)

University of Michigan, TCAUP, Ann Arbor, MI

Research Scientist (1981-1985)

University of California, Berkeley, Lawrence Berkeley National Laboratory, Berkeley, CA

Administrative Appointment

Chair of the Senate at the University of Michigan, Ann Arbor, MI., (2000 to 2002) and Chair of the Senate Advisory Committee on University Affairs (SACUA)

Chair of Certificate Program in Simulation & Gaming (1994 to Present) at the University of Michigan, Rackham School of Graduate Studies, Ann Arbor, MI

Teaching Areas

Acoustics, Daylight, Electric Light, LEED Certification, Building Energy Efficiency, CFD Modeling and Simulation, Photovoltaic System, Environmental Controls, Research Methods, Simulation and Gaming, Integrated Resource Planning. Application of Environmental Technology within a Virtual Environment

International Teaching Exchange and Research Collaborations

- 2019 Presented two "Acoustic Simulation Techniques" lectures at the Audio Engineering Department within the National University of Tres de Febrero - UNTREF. Universidad Nacional de Tres de Febrero - UNTREF. Buenos Aires, Argentina. Contact: Prof. Alejandro Bidondo, Email: abidondo@untref.edu.ar, Monday, 26th to Wednesday, August 28, 2019. (Invitation)
- 2019, I presented three lectures on "Smart Cities and Application of ISO 37120: 2019 Sustainable Cities and Communities, indicators for City Services and Quality of Life" at the Dept. of Astronautical Electrical and Energetic Engineering (DIAEE) within the University of Sapienza, Rome, Faculty of Engineering. Contact:

- Prof. ing. Fabio Bisegna, Email: fabio.bisegna@uniroma1.it, Tuesdays 3rd and 8th and Thursday, October 10, 2019. (Invitation)
- 2019, 2018, 2017, 2015, "International Study Program," Workshop on Simulation Techniques, Chinese University of Hong Kong (March 2015, Feb + Mar 2017, Feb, + Apr 2018, Mar 1-9, 2019), the workshop provides an understanding of environmental design methods through the use of commercial and newly-developed specific computer programs. State-of-the-art thermal, lighting, daylighting, and acoustic analysis models are introduced through simulation techniques.
- 2017 Two Workshops on Simulation Techniques (acoustic, lighting, and Thermal), Total of 7; 3-hrs sessions; Location: The Chinese University of Hong Kong, Center for Housing Innovations, Room 507, Esther Lee Building, Dr./Prof., Jin Tsou, Email: <jiinyeutsou@cuhk.edu.hk>; jinyeutsou@gmail.com, dates: Feb-2017 (12 Hours) and March-2017 (9 Hours)
- 2016 One Seminar on Research Methods: Ph.D. Program at the SAPIENZA University of Roma, Contact Prof. /Dr. Franco Gugliermetti, Faculty of Architecture SAPIENZA University Rome, Dept Astronautical, Electrical, and Energetic Engineering, Rome, Italy, Email: franco.gugliermetti@uniroma1.it, (June 2016), 3-hrs session Location: Rome
 - One Workshop Energy Performance: LEED compliance and energy performance for commercial buildings. Contact: Prof./Dr. Fabio Bisegna, Faculty of Architecture SAPIENZA University Rome, Dept. Astronautical, Electrical, and Energetic Engineering, Rome, Italy, Email: fabio.bisegna@uniroma1.it. (June 2016), 3-hr session, Location: Rome
- 2013 Fulbright Specialist Grant in Engineering Education (August 2013)
 J.William Fulbright Foreign Scholarship, The Bureau of Education and Cultural Affairs of the
 U.S. Department of State and the Council for International Exchange of Scholars (CIES),
 Institute of International Education (IIE), Specialist Grantee, ID #5191
- 2010 & 2015 National University Tucumán, Argentina, Certificate in Engineering, Visual Environment, and Efficient Lighting (MAVILE is a network of European, Latin-American, and North American teaching and research groups on lighting, environmental architecture, and psychology, optics, and vision. This is programmed to train specialists in visual environments and efficient lighting. The Department of Lighting, Light, and Vision of the National University Tucumán, Argentina, email: ilum@herrera.unt.edu.ar.

Professional Honors and Awards: Individual Teaching, Research, Service or Creative Activity

- Nominated and voted as one of the 2015 inductees for the Michigan Lighting Hall of Fame within the Illuminating Engineering Society of North America (IESNA).
- 2015 Elected as Executive Committee Board Member (2014- 2016). USA / CIE (International Commission on Illumination)
- 2015 Visiting Professor: SAPIENZA University of Roma, Roma, Italy Department of Astronautical, Electrical, and Energetic Engineering (DIAEE), Roma, Italy
- 2013 Fulbright Specialist Grant in Engineering Education, J. William Fulbright Foreign Scholarship, The Bureau of Education and Cultural Affairs of the U.S. Department of State and the Council for International Exchange of Scholars (CIES), Institute of International Education (IIE), Specialist Grantee, ID #5191
- Visiting Professor: SAPIENZA University of Roma, Roma, Italy
 Department of Astronautical, Electrical, and Energetic Engineering (DIAEE), Roma,
 Italy
- Visiting Faculty/Scholar: Fraunhofer Institute of Computer Architecture and Software Technology, Berlin, Germany.
- 2015 the University of Michigan Award of Service,

- Member of the Senate Advisory Committee on University Affairs (SACUA)
- 2010 The Ocean Optics Industry National Competition Awards: Application of Spectroscopy through video and photography as a medium. 1) Architecture Research in Lighting 2) and Application of Colorimetric within the Virtual Environment UM-3D Lab. CAVE
- 2006 The 2006 TCAUP- Dean's Faculty Award of Service
- 2002 the University of Michigan Award of Service as the Chair of the Senate and the Senate Advisory Committee on University Affairs (SACUA)
- 2000 The 2000 Fellow Award: Fellow Member of the Illuminating Engineering Society of North America. Lighting Design, "MI, USA.
- 1999 The 1999 IESNA Design Award, EPRI-Award of Merit "The Paint and Finesse Inspection Deck for Chrysler Assembly Plant, "Newark, NJ, USA.
- The Energy Power Research Institute (EPRI) Award, as part of the International Illumination Design Award IIDA 1997 IESNA International Illumination Design Award, EPRI-Award of Merit "The World of Disney, the New Village Marketplace," F.L., USA. Architectural Practice Project Consultant: Daylighting System and Energy Reduction Strategies.
- 1994 The 1994 IES Michigan Illumination Design Award Hatcher Graduate Library Reading Room Retrofit at the University of Michigan, USA.
- 1994 The 1994 IESNA International Illumination Design Award, "Edwin F. Guth Memorial Award of Merit for Chrysler Technology Center lighting design, Lighting Control System of Atrium Buildings, MI, LISA
- 1993 The 1993 IESNA International Illumination Design Award "Edwin F. Guth Memorial Award of Distinction for lighting design of Chrysler Technology Center, Styling Dome," Michigan, USA.
- 1992 The 1992 General Electric, Edison Design Award for lighting design of Chrysler Technology Center, Lighting System of Styling Dome, Michigan, USA.
- The 25th Annual Paper Award from the IEEE- 1991, "Strategies to Reduce the Electrical Consumption in Institutional Building Annual Conference, Detroit, MI, USA.
- 1989 The 1989 IESNA International Illumination Design Award Edwin F. Guth Memorial Award of Distinction for Daylighting design of 1988 Olympic Speed Skating Oval in Calgary, Alberta, Canada
- 1988 The 14th Annual Paper Award from the Solar Energy Society of Canada, "1988 Best Paper of the Year Award on the Technical and Commercial Development in Energy Efficiency and Renewable Energy", Calgary, Alberta, Canada.
- 1988 AIA Educational Honors Program The 1988 AIA Citation of Honors for developing an architecture course, "Technology Research for Design," at The University of Michigan, College of Architecture and Urban Planning, USA.
- 1988 National Lighting Awards Program 1988 Awards for Daylighting Design Applications in Institutional Buildings, USA.
- The 32nd Annual Award from P/A, Progressive Architecture: Applied Research Award for 1985; Project Principal Scientist for the Design and Development of Daylighting Simulation Facility at Lawrence Berkeley National Laboratory (LBNL), USA.
